1	From the Superintendent, Govt. Printg. No P. 2041 dated 13/11/39 Suggests that whenever Vacancies on higher pay occur in the Govt., Composing, Printg & binding branches within a period of two years, a new candidate may be appointed keeping on the minimum pay against a vacancy carrying a higher pay, & the candidate thus appointed also required to pass the prescribed examination within the allotted period of two years 1) According to G.O. dated 1/9/39, the present members will not be eligible for promotion unless they pass the prescribed examination within two years from future appointment & not be given to unqualified candidates. As such now reported that two temporary Vacancies have since occurred & that it is not possible to make promotion or appointment for want of qualified hands except the present staff. He further states that these Vacancies & those that may occur within two years cannot be kept unfilled in the interest of

departmental work. He, however, suggests that whenever vacancies on higher posts may occur in the Post, Customs, Printing & Binding branches within two years, a new candidate may be appointed temporarily against a vacancy carrying a higher pay. This arrangement is temporary till the existing members pass the prescribed exams within the prescribed time.

2) According to Para 1, (iii) of T.O. dt 19/9/35, even such candidates who have not qualified cannot be appointed. They will be new to the work. Instead of appointing unqualified new candidates as proposed by the Supdt, senior officials may perhaps be temporarily promoted to higher vacancies, subject to their passing the exams within the prescribed time. The first order was recently issued & it will take some time for the officials to qualify themselves by passing the departmental tests. So, for the present, temporary selection arrangements

may perhaps be allowed to be made to vacancies that have occurred & will occur within a period of two years. If the officials so promoted fail to pass the examination within two years, they will have to be reverted to their own places. The last vacancies caused by the reversions consequent upon made may be filled in by qualified persons. Candidates.

The above arrangements seem to be admissible as per para (1), (i) of G.O. d. 18/9/39.

P&S 45-39-1

To

P.H. KRISHNA RAO, Esq., M.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

With reference to Government Order No.A.F.1057-9/P.& S. 101-37-10, dated 18th September 1939, ordering that passing of the Examinations prescribed for the appointments in the Government Presses at Bangalore and Mysore is compulsory for purposes of appointments, promotions, etc., I have the honour to state that a provisionally permanent Proof Examiner's vacancy on Rs.50/- and a leave vacancy of an Examiner on Rs.45/- have since occured in this office and much difficuly is felt for filling up these appointments for want of qualified hands from the present staff.

As per above Government Order, neither promotions nor appointments can be made to these vacancies from the present incumbents, who do not become eligible unless they pass the prescribed Examinations. These vacancies as well as those that may occur in the next two years, or such a time that the existing men become qualified by passing the prescribed Examinations will have to be kept vacant. This will cause much inconvenience for the efficient discharge of Government work, as suitable substitutes will not be forthcoming to take the place of the absentees.

I would, therefore, beg to suggest that whenever vacancies on higher pay occur in the Proof, Composing, Printing and Binding Branches within a period of two years, a new candidate may be appointed temporarily on the minimum pay against a vacancy carrying a higher pay, and the candidate thus appointed also required to pass the prescribed Examination within the allotted period of two years.

P.T.O.

I am of opinion that this procedure will not only help to tide over to certain extent the practical difficulty in carrying on the work during the next two years, but will also afford ample time for the existing incumbents to get themselves qualified by passing the prescribed examinations for being appointed in higher vacancies.

If the above proposal commends itself to Government, I solicit the favour of early orders.

I have the honour to be,
Sir,
Your most obedient servant,

Superintendent. 18/4/39
